

FRIENDLY FINGERS

Look at me, I'm holding up my thumb, **Finger Number One!**
Always feeling really hungry.
Yum, yum, yum, yum, yum, yummy yum!

Here's the one that point at me and at you, **Finger Number Two!**
Always feeling cross and angry,
Ra, ra, ra, ra, ra, ra!

In the middle, longest of them all, **Finger Number Three!**
Always skipping round and dancing,
La, la, la, la, la, la!

Here is a finger waiting for a ring, **Finger Number Four!**
Always feeling sad and sorry,
Oops, really sorry. Oo, oo, ah!

Now the baby smallest of all, **Finger Number Five!**
Always crying really loudly,
Waa, waa, waa, waa, waa, waa!

Yummy, yummy, Ra, ra, La, la, la!
Oops, really sorry, Waa, waa, waa!

Five fingers all in a row,
Best of friends, don't you know!

Five fingers all in a row,
